

DESCRIPTION

Extreme Clean utilizes cutting-edge technology to produce the most powerful, all-purpose biodegradable emulsifier that rapidly penetrates carbon, grease, oil, grime, and dirt and contains Tri-Chem's exclusive rust inhibitor.

Extreme Clean is biodegradable, non-abrasive, non-corrosive, non-combustible, and non-toxic.

Extreme Clean can be used for parts washers, automatic floor scrubbers, power washers, steam cleaning machines, mop and buckets, or trigger sprayers. It outperforms any other all-purpose cleaner in cleaning machinery, oil-soaked floors, coolant holding tanks, conveyors, engines, dies, presses, and forklifts.

DIRECTIONS

Dilute 20:1 for parts washers, presses, dies, forklifts, oil-soaked floors, lathes, conveyors, engines, wheels, carbon deposits, and floor wax removal.

Dilute 30:1 for auto interiors, appliances, decks, paint preparation, cooling holding tanks, tools, tile floors, soiled grouting, ovens, and concrete.

Dilute 40:1 for steam cleaners, carpet cleaning machines, power washers, automatic floor scrubbers, mop and bucket applications, kitchens, bathrooms, and stoves.

Dilute 80:1 for everyday cleaning of offices, hotel rooms, retail establishments, carpet and upholstery, and laundry pre-soak.

CAUTION

Please refer to the SDS for more detailed precautionary measures, handling instructions, and emergency procedures.

KEEP OUT OF REACH OF CHILDREN.

FIRST-AID

Eyes: Flush with copious amounts of water lifting lids and removing contact lenses to ensure complete irrigation—get medical attention.

Skin: Flush with water and then wash with soap and water, launder contaminated clothing before reuse—get medical attention if irritation persists.

Inhalation: Remove to fresh air and assist breathing as necessary—get medical attention.

Ingestion: Give acidic beverages (orange or tomato juice or carbonated soft drinks)—get medical attention.
